Unilever Professional Handy Andy Professional Multipurpose Degreaser (5 L)

NEW

Stubborn kitchen grease? No problem. Safely and quickly dissolve stubborn grease and dirt with the new food safe* Handy Andy Professional Multipurpose Degreaser – a naturally-derived cleaning agent that leaves a streak-free shine.

Easy to rinse and suitable for use on multiple surfaces, Handy Andy Professional Multipurpose Degreaser is highly effective on daily kitchen dirt, degreases quickly & easily, and leaves your food preparation surfaces sparkling clean.

Keep your kitchen surfaces spotlessly clean with Handy Andy Professional Multipurpose Degreaser.

Benefits

- Quickly dissolves grease, dirt and oil splashes
- Naturally-derived cleaning agent
- Streak-free shine
- Food safe*

Areas of application

- Stove tops
- Kitchen surfaces
- Food preparation surfaces

Caution

- Always use on cold surfaces.
- Avoid prolonged contact with painted surfaces.
- Do not use on painted wood, anodized aluminium, marble and linoleum.
- Do not use on appliance lettering and symbols.
- For new or unusual types of surfaces, test on a small inconspicuous area first.
- Do not mix with other cleaning products.

How to use

Step 1

Decant into a smaller spray bottle.

Step 2

Spray onto the surface.

Step 3

Leave for a few seconds and wipe with a cloth. For tough dirt leave for a few minutes before wiping clean.

*Food Safe indicates that the product is safe to use on food preparation areas if usage instructions on back of pack are followed. This is supported by the certification provided by Intertek, an external company that performed the analysis on: Toxicological Safety for Use in Direct Food Contact Applications (SANS 1828).
