

PROFESSIONAL

CLEANING GUIDE FOR LAUNDRY

1 SORT LINEN

Using different baskets, sort linen according to wash temperature and colours. Remember to follow care label instructions.

3 WASHING

WASH PROGRAMME

Sportswear

Cotton

Cold water

TEMPERATURE

Water temperature 30°C

Water temperature 40°C

Water temperature 50°C

Water temperature 60°C

Water temperature 70°C

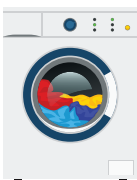

Water temperature 95°C

Select the correct wash programme and temperature, then add your desired detergent.

For sensational laundry fragrance every wash, use **Sunlight 2-in-1 Auto Washing Powder**. Choose **OMO Auto Washing Powder**, the perfect solution for cleaning clothes hygienically and removing stains. Add **Comfort Concentrated Fabric Conditioner** to maintain your fabrics' shape and colour while leaving laundry soft, with a pleasant fragrance.

5 DRYING

Tumble dry

Do not tumble dry

Low heat

Medium heat

High heat

No heat

Always follow care label instructions when tumble drying. Remove linen from dryer once it has stopped to prevent creasing.

2 PRE-WASH

Load the machine such that linen fits comfortably in the drum. Do not overload or underload as this affects shelf lives of machine and linen. For tougher stains, soak the linen for required time as per product.

4 POST-WASHING

Unload clean linen into CLEAN baskets. Re-wash any items that are still stained.

6 MACHINE MAINTENANCE

Clean the detergent dosing drawers regularly to prevent mould build up. Clean lint filters of dryers after each cycle.

CLEANING PRO TIPS

Protect your delicate clothing, linen and fabrics with **OMO Hand Washing Powder** and **Sunlight 2-in-1 Hand Washing Powder**. To prevent build-ups, as well as damp and musty aromas, always ensure you are using the right amount of detergent.
